

Digital Research Tools

Posted by res.lp - 07 Apr 2013 16:06

This is an extremely list of webpages for finding digital research tools.

dirt.projectbamboo.org/categories/text-m...e&sort_order=ASC

Thanks for the link!

Currently, all tools listed seem to gear at linguistic research, imho this should be mentioned on the site, if indeed that is their focus.

Anyway, a good source!

Cheers --u

Check out our own portal for research tools at iscience.eu : the iScience Server . Feel free to use the tools in your research.

Cheers!
