```
# Here's some R Code w.r.t the remarks  
# on indexing and vectorization that I made after the last lab session  
# also benchmarking shows avoiding loops in favor of indexing can  
# speed up things quite a bit.
```

```
# also use the scipen options if you want to avoid exponential
```

```
# notation of large numbers
```

```
options(scipen = 4)
